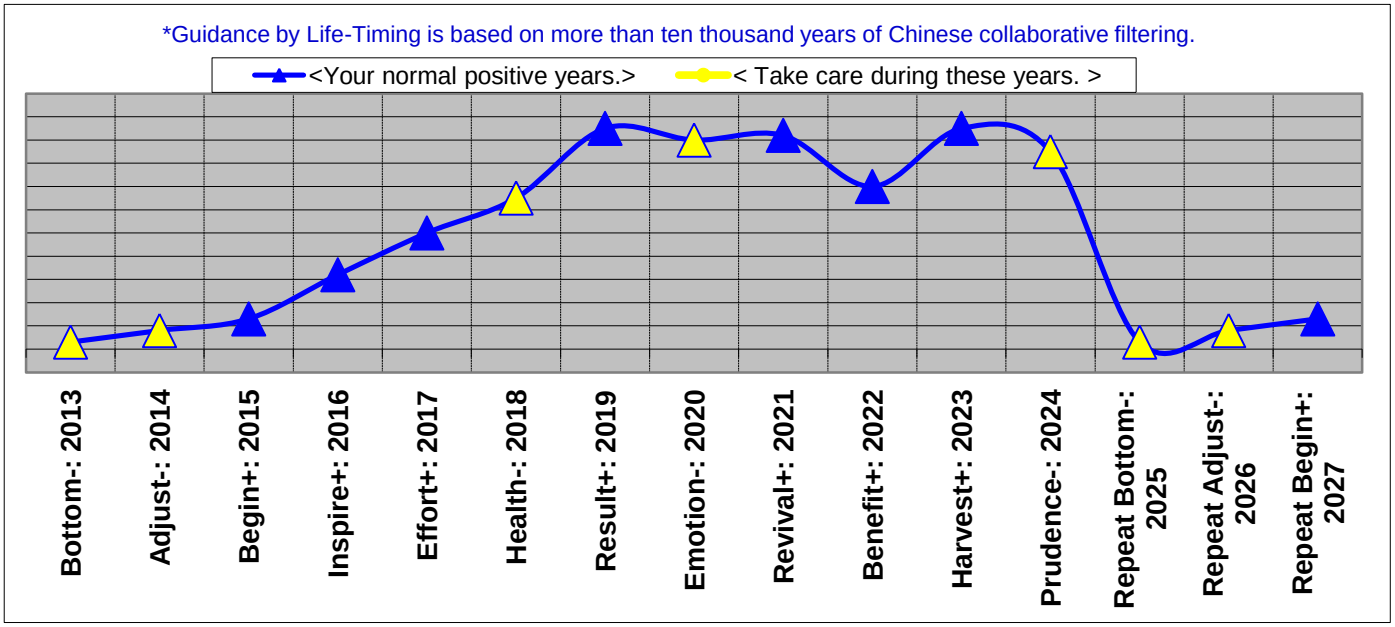
Life-Timing TYPE < LT3:Earth. >

Rev. 2017



<Yearly Guidance> LT3:Earth. (Cycle repeats every 12-years)

Bottom-: 2013	As soon as this year starts you will encounter challenges different from previous years. Take care.	
Adjust-: 2014	It will seem like every action you take does not get optimal results. Be calm and make clear decisions.	
Begin+: 2015	Your previous 2 years emotional drain may have been a lot, so don't push too hard. Make this a quiet year.	
Inspire+: 2016	Your energy will be back this year. Your hopes and dreams will spring up in your heart. Start your actions.	
Effort+: 2017	From previous years preparations, you should be in a good position to get financial advantages. Continue forward.	<=
Health-: 2018	You should be positioned to get really good offers which will accelerate your financial advantages.	
Result+: 2019	You will be accepted by others and your ideas will come to reality.	
Emotion-: 2020	You may find good and trusted friends that you will consider to be a treasure.	
Revival+: 2021	It's a good time to look back on your past and reflect.	
Benefit+: 2022	Your situation will little by little be decreasing. Don't start new ventures on your own.	
Harvest+: 2023	Your situation will stabalize, but your energy will be drained. You may feel burnt out.	
Prudence-: 2024	Your situation will tend to be stable and you can relax. You should prepare for challenging years ahead.

<Your Seasons>

LT3:Earth. (Your Monthly repeating cycle each year)

WINTER months	*SPRING months*	*SUMMER months*	*AUTUMN months*
Aware-: May	Start+: Aug.	Body-: Nov.	Amend+: Feb.
Winter-: Jun.	***Spring+: Sep.***	***Summer+: Dec.***	***Autumn+: Mar.***
Plan-: Jul.	Attempt+: Oct.	Mind-: Jan.	Reap+: Apr.

<Monthly Guidance>

Aware-: May	Your Winter season has arrived so be wary of your surroundings and new people you may meet. Hold on to you position and don't push too hard to fix things. Don't start things that you have not tried before.
Winter-: Jun.	Take care of your job and personal life. Spend money on others. Do things that are not your favorite, or that you normally don't do.
Plan-: Jul.	Allow your worries to slowly go away, but still be sensitive to these things. You can make plans, but it is early to take actual action yet.
Start+: Aug.	Try starting new things. New people you meet may be important to you in your life.
Spring+: Sep.	Allow your self to sprout with fresh energy in your heart. Give your best effort with the actions you take. Romance is abound.
Attempt+: Oct.	It is a good time to make any important decisions. Plan your progress towards accomplishing you decisions.
Body-: Nov.	Be aware of your health and body. Don't push yourself too hard. Proceed calmly, and take time to reflect.
Summer+: Dec.	The purpose related to your decisions and actions will become clearer. You can decide to adjust your decisions and actions. Make this an enjoyable time.
Mind-: Jan.	Be aware of your emotional state of mind. Don't change or start totally new things. Stay the course of your decisions and plans.
Amend+: Feb.	This is an opportunity to make adjustments to help the momentum of things that seem to be running out of energy.
Autumn+: Mar.	If you spend money for other people then your love life should improve. If you have a chance to cash in, then do so, and save away some of the money. You might have to be apart from a loved one.
Reap+: Apr.	You may feel physically and mentally satisfied. You can enjoy the progress you are making, but also prepare for some challenges a head.
